

Sandfire Resources America Announces Variation to Bridge Loan Agreement

White Sulphur Springs, Montana– May 28, 2026 – Sandfire Resources America Inc. ("Sandfire America" or the "Company") announces that it has entered into a sixth variation agreement (the "**Sixth Variation**") to its bridge loan agreement, as amended (the "**Bridge Loan**") with Sandfire BC Holdings (Australia) Pty Ltd. ("**Sandfire BC**"), the Company's largest shareholder, and Tintina Montana Inc., a wholly-owned subsidiary of the Company ("**Tintina Montana**").

Pursuant to the sixth Variation, the amount available to be borrowed under the Bridge Loan will be increased from an aggregate of up to US\$59.5 million to an aggregate of up to US\$65.3 million through one or more advances and the latest maturity will be extended from June 30, 2026, to December 31, 2026, subject to the terms of the Sixth Variation and the Bridge Loan.

All other terms and conditions of the Bridge Loan shall remain in full force and effect, except as amended by the Sixth Variation. No securities of the Company are issuable under the Agreement.

CEO, Lincoln Greenidge, shared “Thank you to Sandfire Resources Ltd for their continued financial support and partnership. As we make meaningful progress on updating the recently published Pre-Feasibility Study and advancing other critical activities for the Black Butte Copper Project, we continue to work steadily towards a Final Investment Decision.

This project represents a significant milestone for the state of Montana and for the United States’ efforts to develop a reliable domestic supply of copper, essential to meeting our nation’s growing infrastructure demands. We are truly proud to contribute to America’s critical minerals future in a responsible and sustainable way.”

Cautionary Note Regarding Forward-Looking Statements: Certain disclosures in this document constitute "forward looking information" within the meaning of Canadian securities legislation, including statements regarding the Agreement, the Company's financing options and expected outcomes. In making these forward-looking statements, the Company has applied certain factors and assumptions that the Company believes are reasonable, including that the Company will receive required regulatory approvals, and that the Company will be able to secure additional funding to execute its plans. However, the forward-looking statements in this document are subject to numerous risks, uncertainties and other factors, including delays in obtaining or inability to obtain required government or other regulatory approvals or financing. There

can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Readers are cautioned not to place undue reliance on forward-looking statements. The Company does not intend, and expressly disclaims any intention or obligation to, update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by law.
